## FULL STACK DEVELOPER

muhammedameen.one@gmail.com | +91 7994722906 | Kerala, India  
linkedin.com/in/muhammed-ameen-a-g | github.com/muhammed-ameen-dev

### PROFESSIONAL SUMMARY

Motivated Full Stack Developer (Fresher) with hands-on internship experience in Python, Django, React, and Generative AI. Proven ability to build and deploy web applications, REST APIs, and AI-integrated systems. Experienced in cloud platforms, containerization, and modern AI development tools. Quick learner, team player, and detail-oriented developer eager to contribute to real-world engineering teams.

### CORE SKILLS

Python, Django, React, JavaScript, HTML, CSS, Bootstrap, MySQL, MongoDB, Firebase, Microsoft Azure, Docker, Git, GitHub, REST APIs, Generative AI, ChatGPT, Google Gemini, Codex, Cursor, Firebase Studio, Emergent, Lovable, Communication, Teamwork, Problem Solving, Fast Learner

### WORK EXPERIENCE

#### KNOVISTA TECHNOLOGIES PVT. LTD.

Ernakulam, Kerala, India

##### Python & React Full Stack Developer Intern (Generative AI)

Dec 2025 – Present

- Developing backend systems using Python and Django with clean API architecture and data management.
- Building dynamic React frontend components integrated with backend services and Generative AI features.
- Working with modern AI tools including Codex, Cursor, and Firebase Studio for development workflows.

#### LOGIPROMPT TECHNOSOLUTIONS PVT. LTD.

Ernakulam, Kerala, India

##### Frontend Web Development Intern

Aug 2025 – Nov 2025

- Built and maintained responsive UI components using HTML, CSS, Bootstrap, and JavaScript.
- Assisted senior developers in frontend tasks, debugging, and delivering polished user interfaces.

### EDUCATION

#### Bachelor of Computer Applications (BCA) | - Jai Bharath Arts & Science College

Perumbavoor, Kerala

Mahatma Gandhi University

2022 – 2025

### CERTIFICATIONS

**Microsoft Certified: Azure Administrator Associate (AZ-104)** | - Validates expertise in managing Microsoft Azure cloud infrastructure and services. (2025)

**AI Tools & Development Workshop Certificate** | - Hands-on training in modern AI development tools and workflows. (2025)

**Frontend Web Development Internship Completion Certificate** | - Issued by Logiprompt TechnoSolutions Pvt. Ltd. upon successful internship completion. (2025)

**Claude AI 101 Certificate** | - Issued by Anthropic; covers foundational concepts of Claude AI and prompt engineering. (2026)

**AI Fundamentals: Foundations for Understanding AI** | - Issued by IBM SkillsBuild; covers core AI concepts and applications. (2026)

**Python & React Full Stack Developer Internship Completion Certificate** | - Issued by Knovista Technologies Pvt. Ltd. upon successful internship completion. (2026)

### PROJECTS

**Alerta — User Safety Management System** | - A web-based platform to detect and filter inappropriate content with user authentication and restriction logic.

**Travel Diary** | - A travel website built with Python, Django, and API integration for exploring and managing travel experiences.

**Eye Drowsiness Detection System** | - A Python and Django based system that detects driver eye closure in real-time and triggers an alarm alert.

### ADDITIONAL INFORMATION

**Languages** : English (Read, Write, Speak), Malayalam (Read, Write, Speak), Hindi (Read, Write, Speak), Japanese (Beginner)

**Nationality** : Indian

**Availability** : Immediate Joiner
